

# 2008 CAMS-ii Users' Conference

“Information Technology...Simplified”

- ⇒ Intensive Workshops
- ⇒ Product Demonstrations
- ⇒ Industry Topic Discussions
- ⇒ Insight on Future Technology

Technology plays a critical role in any credit union organization.

That's why you need the confidence to move forward and enable your success.

This is a great time to learn about our products and technology plans, see new solutions that can help you achieve your goals, and build your knowledge on the CAMS-ii system.
