Important Notes for this Release

Please take note of these important changes:

- Expanded Special Events, Miscellaneous Fees, Miscellaneous Disbursement, and Miscellaneous Income from supporting twenty buttons/transaction codes to supporting sixty.(see New Features for more information).
- Added the CAMS-ii Inventory Management System (IMS) that tracks that the credit union sells (money orders, event tickets, and so on). The CAMS-ii IMS has a separate license. To find out about activating this feature, please contact CBS Sales via the CBS Issue Tracking System.

New Features

The following features have been added since the last release notice:

- Increased the number of buttons/transactions for Multiple Transactions and Control-Master Parameters from 20 to 60 from the assigned but unused codes for these four groups:
- Added a **Allow Negative Balance** check box on the Distribution Header Maintenance screen to allow for accounts to go negative. This allows special distributions for insurance, fees, and so on to always process.
- Added new text boxes, **Estimated Collection Ability (percent)** and **Paper Grade**, to the Loan Data Record.

Changes

The following items have changed since the last release.

- Added a **Cancel** button on screens for Special Transactions in Multiple Transactions that returns to the previous menu/screen.
- When a G/L Trial Balance is run, the descriptions attached to the ACH G/L transactions are now included.

Bugs

The following anomalies have been fixed since the last release:

NOTE: References to CBS Issue Tracking System issues, where applicable, are noted in parentheses at the end of the entry.

- The OFAC file download process did not retrieve a Palestine Legislative Council (PLC) file because the US Treasury Department changed the download site.
- When using Search on Return Code is selected in ACH Stop Payment Maintenance > Add New Entry, the data returns and the other data on the screen disappears.
- Internet Branching sometimes allows transfers to and from the same account. (Issue # 27162)
- In Payroll Bypass in ACH ID Maintenance, setup did not allow Skip Payroll Splits because the Company ID had a hyphen (Issue #26908).

Updates, Hints, and Corrections

The following items are additions, updates, or corrections to previous release or update notices. And notes of special interest concerning CAMS-ii.
